

Step Treads

Straight, Return and Curtailed treads with matching risers.

Our bullnose treads are supplied in 1000mm and 500mm lengths with depths to suit all applications up to 550mm excluding the 25mm bullnose. Risers are supplied in 500mm lengths with various heights up to 200mm. Our steps are suitable for light domestic use and should be installed on a continuous mortar bed.
